

Writing a descriptive essay

Learn to write a descriptive essay.

Pre-writing

Write down notes

Try to be specific

Remember things we describe are what we

- feel: happy, angry, cold, hot ...
- see: big, large, small, tiny ...
- touch: coarse, hard, soft, smooth ...
- taste: sweet, sore, bitter,
- hear: loud, quiet, silent ...
- smell: bad, moldy, unpleasant, pleasant ...

Describe your feelings, your thoughts, your actions, ...

Writing:

You can organize your description:

- from general to specific or vice versa
- from the outside to the inside or vice versa
- from the least important to the most important or vice versa
- from the start (e.g. of a journey) till the end ...
